## Holiday Gift Idea: Special Edition Grand Lake Stream Print

Artist Gretchen Mead of Whiting, Maine donated a beautiful original watercolor painting featuring the lakes and wildlife of Grand Lake Stream to benefit Downeast Lakes Land Trust, and supporter Sally Mayer generously donated special edition prints.

Prints are available as a thank you with a donation of \$100\* or more, while supplies last. We will ship to you (continental U.S.) or hold it for pickup. The unframed print is 19 by 24 inches. You can also mark "GLS Print" on a donation by mail.

A donation in honor of a friend or family member is a great gift that helps ensure Grand Lake Stream will always be a special destination. We also have hats and a poster available as thank you gifts. Click the picture above to see photos and make a **secure online donation**.

*\*The print has an estimated fair market value of \$20.*

## George Mitchell Joins Honorary Co-Chairs

Former U.S. Senate Majority Leader and U.S. Special Envoy for Middle East Peace George Mitchell has joined the Honorary Co-chairs of the West Grand Lake Community Forest Project. Senator Mitchell also served as an Honorary Co-chair of the now completed Wabassus Lake Project prior to his appointment as U.S. Special Envoy. His service is a strong statement of the importance of the project, and is in keeping with his long-standing dedication to Maine's people and environment.

Downeast Lakes Land Trust is grateful to all the **West Grand Lake Honorary Co-chairs**.
