Forests and Lakes – For People – Forever

All Terrain Vehicles (ATV) Land Use Policy for DLLT lands

ATV riders are welcome on DLLT land. DLLT extends this privilege to all users of registered ATV's (as defined by the State of Maine), who are expected to follow Maine State laws, to treat the land with respect and care, and to ride without endangering others or causing damage to trails. ATV users are encouraged to remain on main trails and to minimize the damage to side trails. Some trails may be closed to ATV's during mud season, timber harvesting and other land management activities. All of these adopted policies and practices will be conducted in a manner that is responsible and protective of wildlife habitat. Abuse of the land is prohibited. Improper use of your ATV on these lands will result in revocation of your privilege to operate on DLLT lands.
