Forests and Lakes – For People – Forever

Motor Vehicle Use Policy for Downeast Lakes Land Trust land

DLLT welcomes public use of its land, including motor vehicle road access. DLLT extends this privilege to all users of registered motor vehicles (as defined by the State of Maine), who are expected to follow Maine State laws, to drive without endangering others, to treat the land and roads with respect and care, and to avoid damage to wildlife or habitat. Some roads may be closed during mud season, timber harvesting, or other land management activities. Any time use is causing ruts or erosion, operators are to leave the roads and come back another time. Improper or unsafe use of motor vehicles on these lands may result in revocation of the operators' privilege to drive on DLLT roads.
